## Material Requirements: (posted on pattern)

Since this is a "mini-retreat" please make sure you have **all your fabric and papers cut per pattern instructions so that we can get started right away!**

Attached is a "color me" page of the Feathered Snowflake Tree Skirt and also a guide to help you see where the colors go.

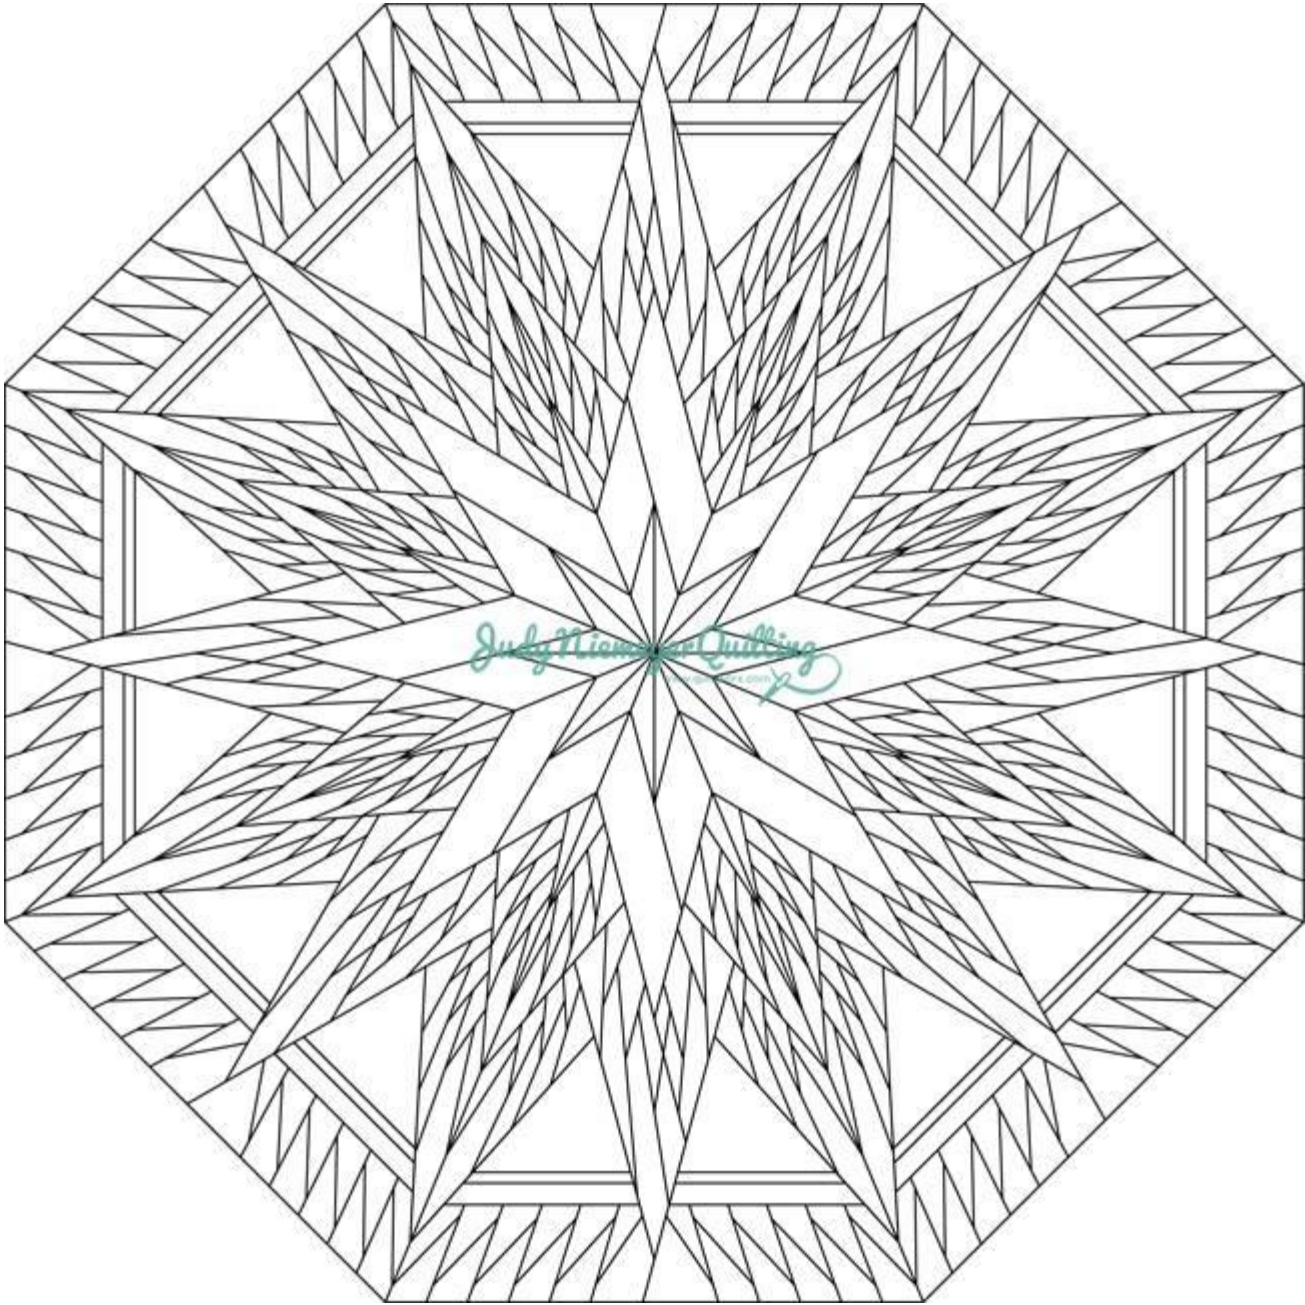

When purchasing your fabric - A good rule of thumb – is to purchase additional fabric in each color – any amount from 1/4 yard to 1/3 yard should do. This is just in case you might run short – and mistakes can happen while cutting or piecing. Save your scraps – you could possibly need them later...

Thanks and see you in class!! ☺
