

Disappearing 9 Patch

5 scrappy 5" squares

4 neutral 5" squares

- Piece together in a checkerboard pattern
- Scrappy squares in corners and middle
- Press towards the scrappy blocks
- Will measure 14" square when together

- Cut down the middle
 - Measure $2\frac{1}{4}$ on the neutral square (7" in from the edge)

- Rotate two of the blocks to have the middle squares facing to the top corners
- Press towards the scrappy block

Will measure 13.5" when together
